Any organization wanting to work a night at tournament, please see Debby ASAP. I only have Monday and Tuesday taken so far. I would like to have a meeting to determine the concession menu on December 7, so if you want to have a say in what will be offered, please see me before that date. It's a great way to make \$300 or more for your organization for just a few hours work.

Seniors that had retakes done please return your packet as soon as possible.

It is now the end of the month which means it is time to nominate for Student of the Month. Remember that one 7/8 student will be selected and 1 high school student will be selected. Students remember nomination forms are on the counter at the front office. Teachers you may use that nomination box also, but you may also directly mail your nomination to me. I appreciate the variety of nominations we had last month, I hope this continues as we have many deserving students at the secondary level. Nominations are due by Nov. 24th.
