

Mission Statement

“At Southern Boone Middle School we are committed to preparing student learners for success in an ever- changing world!”

In order to achieve our mission we will:

- *Have high expectations of ourselves & our students**
- *Have purpose in our classrooms, follow grade level expectations, & utilize appropriate classroom activities that promote higher level thinking**
- *Model & implement Positive Behavior Supports (PBS) consistently by modeling safe, respectful, & responsible choices**
- *Communicate & collaborate with parents and staff regarding issues affecting our students**
- *Align curriculum with productive vertical teams**
- *Use data to make decisions & emphasize best practices in our school**
- *Be lifelong-learners and model that for our students**
- *Use instructional technology & appropriate assessment methods to plan and implement effective lessons promoting higher level learning**
- *Continue to try new things as a staff; even if we make mistakes ... we are educational pioneers**
