Students that will be four (4) years old by August 1, 2010 may apply to the Preschool program. Applications may be obtained at the Primary School office and must be returned to the office no later than April 1, 2010. There are a limited number of students selected for this program.

Parents as Teachers is an excellent program for families with children from birth to five (5) years of age. If you are currently not enrolled and would like more information, please call the Primary School to be put in contact with one of our parent educators.
