

CRISIS INTERVENTION PLAN

The Lathrop R-II School District has a crisis intervention plan to help school district administrators and faculty deal effectively with crises that could interfere with the normal daily operation of school. This plan outlines and describes the district's guidelines for responding to most crises. All staff members with a need to know will be provided in-service training concerning these guidelines. Specific information regarding the crisis intervention plan is available to concerned parties upon request in the central and building offices.
