

Plan ACT Testing

Louisiana High School is pleased to offer the ACT PLAN Test to all sophomores. PLAN is the 10th grade test that gives students a forecast of how they might do on the ACT Assessment. The ACT Assessment is taken in the junior or senior year and is used for college admission and placement. In addition to gauging academic achievement, PLAN provides extensive information for educational and career planning. It is a helpful experience for all students whether or not they have decided to go to college. This year's test date is Tuesday November 10, 2009. Parents please encourage your student to come to school well rested on test day.

Each participating student receives a report that

- identifies academic strengths and weaknesses
- helps students explore career interests
- helps focus on career goals and the preparation needed to achieve them
