

MO Healthy Smiles

Dental Health Coordinator for Ozark County

Kristi Williams is serving as the first Dental Health Coordinator for Ozark County. Kristi is the school nurse for Lutie and Thornfield Elementary Schools. She has been serving as an advocate for the health needs of the children for the past twelve years.

Creative use of funding and pooling of resources has allowed Kristi to serve as the Dental Health Coordinator for Ozark County. This one-day per week position allows the services of PSP, Gainesville FQHC and resources from Missouri Foundation for Health to be coordinated to meet the dental needs of the children in this county.

Kristi Williams, Dental Health Champion!
