#### CELL PHONE TOWER

Word from City Hall is the tower is at full signal strength, which does not seem to be very effective. AT & T said it is because we are in the hills and if we were on flat ground the range would go farther. If you would like to voice a complaint to AT & T, you may dial \*611 from your cell phone.

#### STUDENT FORMS

All forms must be turned in to the office ASAP. Students will NOT be allowed to use the school's technology until ALL forms are completed and turned in. KidGuard Insurance forms are due Tuesday, September 1, 2009.
